## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 3/20/09 has been entered.

### ***Claim Rejections - 35 USC § 102***

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 1-2 are rejected under 35 U.S.C. 102(b) as being anticipated by Pai et al. (U.S. 6,312,766 B1; "Pai").

4. Regarding claim 1, Pai discloses a semiconductor device comprising an insulation film consisting of a fluoridation carbon film that is a chemical compound of carbon and fluorine (col 5, lines 48-51), wherein hydrogen atoms are included as impurities in the fluoridation carbon film, an amount of the hydrogen atoms included in the fluoridation carbon film is not more than 3 atomic % and more than 0 atomic % (col 7, lines 17-27).

5. Regarding the claim 1 limitation of "resulting from a chemical compound including hydrogen atoms as impurities", it is noted that these are method limitations since claim 1 is a product claim. It is also noted that the patentability of a product does not depend on its method of production (MPEP 2113).

6. Regarding claim 2, Pai discloses that the insulation film is an interlayer insulation film (col 3, lines 36-40; col 1, lines 31-35).

***Allowable Subject Matter***

7. Claims 3-5 are allowed. Claims 3-5 remain allowable because of the reasons specified in the last office action, Final Rejection (mailed 10/6/08).

***Response to Arguments***

8. Applicant's arguments with respect to claims 1-2 have been considered but are moot in view of the new ground(s) of rejection.
